

ROLL OF SERVICE

SUPPLEMENT No. 1

DECEMBER, 1943

In view of the very great rise in the cost of printing, the Editors of the Record of Old Westminsters, in consultation with the Committee of the Elizabethan Club, have decided that it is only possible at present to publish a Supplement to the last issue of the Roll of Service, containing the names of those who have fallen and of those who have joined the Forces since December, 1942.

The Editors and the Committee hope that it may be possible to publish the Roll of Service in full at the end of the war, and in any event the information which would appear in it will also be needed for the next edition of the Record. The Editors accordingly appeal to Old Westminsters to continue sending them any additions or corrections, which should be addressed to Dr. G. R. Y. Radcliffe, Glebe House, Knebworth, Herts.

The Editors acknowledge their indebtedness to the Committee of the Elizabethan Club for defraying the cost of this Supplement, and to Mr. E. R. B. Graham and Mr. C. H. Fisher for much valuable information.
