

# ROLL OF SERVICE

## NUMBER I.

MARCH, 1941.

---

---

The following list of Westminsters serving in H.M.'s Forces has been compiled by the Editors of the Record of Old Westminsters. Entries to which a date is appended have been derived from the *London Gazette*, and are in the form in which they will appear in the next edition of the Record, except that where more than one entry in the *Gazette* has been noted concerning any Westminster the last in date only is given in the list, and where a Westminster is reported to have been promoted since the last entry of his name noted in the *Gazette*, the higher rank is given without a date.

Entries which have no date appended have been derived from various sources, and chiefly from the Roll of Service compiled by the Entertainments Committee of the Elizabethan Club. The Editors have to thank the Committee for their kind permission to use this valuable material.

The Editors would appeal to past and present Westminsters to assist in making the list more complete and accurate by sending them information, including even approximate dates of gazetting which may greatly shorten the labour of searching for an entry in the *Gazette*.

Corrections or additions should be sent to Dr. G. R. Y. Radcliffe, Glebe House, Knebworth, Herts.
